

# WEST FOND DU LAC AVENUE SAFETY IMPROVEMENT PROJECT FROM N. 36TH-38TH ST.

## PROJECT OVERVIEW

The City of Milwaukee Department of Public Works will reconstruct the intersections of West Fond du Lac Avenue from North 36th to North 38th streets to enhance pedestrian safety and improve the overall operation of the roadway.

## INTERSECTION DESIGN CONCEPT

The project will consist of re-configuring the intersections and turn lanes by adding curb extensions, pedestrian refuge islands and new marked crosswalks.

**N. 36th St.**

**N. 37th St.**

**N. 38th St.**

## SCHEDULE

Start: April 6, 2020

End: Late June, 2020

*All work is weather dependent  
and subject to change*

## STAY CONNECTED

**Nextdoor**

## WHAT TO EXPECT DURING CONSTRUCTION

The project will be split into two major stages to minimize how construction will impact residents, businesses, and the traveling public.

**Stage 1:** Construction will take place on the north side of West Fond du Lac Avenue.

- One northbound lane and two southbound lanes will be maintained.
- The intersections of N. 36th and N. 37th Streets will be constructed one-half at a time to maintain through traffic.

**Stage 2:** Construction will take place on the south side of West Fond du Lac Avenue.

- One lane of southbound traffic will be maintained and two northbound lanes will be open.
- N. 36th, N. 37th and N. 38th Streets will be closed to through traffic on the south side of West Fond du Lac Avenue.

**Parking:** There will be on-street parking restrictions within the project limits during construction.

**Pedestrian Access:** Short-term disruptions will occur when curb ramps and surrounding sidewalk are being removed and rebuilt. Access will be maintained to abutting properties during construction with the least amount of inconvenience.

**Bus Route:** Both north and southbound stops at North 38th Street on the Blueline may temporarily discontinue. Please visit [ridemcts.com](http://ridemcts.com) for route details and schedule.

**Driveway Access:** City staff and the contractor will work to minimize the amount of time any driveway access is restricted.

**Construction Hours:** Work is allowed Monday through Friday from 7:00 a.m. to 9:00 p.m.

## SUPPORT FOR BUSINESS PROGRAM

The City of Milwaukee Department of Public Works offers the Support for Business Program to help assist local merchants and minimize any problems during a construction project. If you are a business owner along the project corridor, we encourage you to connect with the Project Liaison. Please visit the website [Milwaukee.gov/supportforbusiness](http://Milwaukee.gov/supportforbusiness) to learn more about the tools and services available to you.

Feel free to contact the liaison if you have any questions or concerns related to this project including signage, sidewalk and driveway access, parking, maintaining delivery operations or trucking services, or planned special events etc.
